Serving Spirit: Weekend Workshop

Hands-on Course in Evidential Mediumship

2018 Website Program Description

September 14-16, 2018

Serving Spirit is a hands-on course in evidential mediumship for students at all levels. Instructor Suzanne Giesemann holds nothing back as she shares her proven tools and tips for connecting with those who have passed.

Make Contact Beyond Physical Matter Reality with an Emphasis on Receiving Verifiable Evidence

The class offers a balance between the theory of spirit communication and actual practice of making contacts "across the veil" with an emphasis on receiving verifiable evidence as well as messages. Students will have the opportunity to immediately apply what they learn in multiple practice sessions.

The retreat will be held at The Monroe Institute's Virginia campus, offering greater seclusion, silence, and opportunities for stillness.

In the tradition of Robert A. Monroe, you will discover that you are far more than a physical body. You will experience guided meditations with Hemi-Sync® technology authored and narrated by Suzanne specifically for accessing the optimal states of awareness for mediumship.

The course has been approved to provide accredited continuing education units for licensed professional counselors!

Not all students of the *Serving Spirit* class intend to become mediums. For many students, the goal is to improve their connection with higher consciousness for their own spiritual growth.

Learn How to Access the Optimal States of Awareness for Mediumship

As a special bonus, on Saturday evening Suzanne will demonstrate a channeling session, allowing her guides, Sanaya, to teach one module of the class.

In this workshop you will have the opportunity to:

- Gain an appreciation for the sacredness and responsibility of serving as the voice for those in the spirit world
- Understand how and why communication with the nonphysical world is possible
- Experience the difference between psychic work and mediumship
- Learn a proven seven-step process for connecting with Higher Consciousness
- Practice doing one-on-one evidential readings

- Expand your awareness of the vast amount and kind of information those in spirit are waiting to share with you
- Access greater depth of information from the spirit world by working through the heart
- Learn “best practices” for working with the highest possible integrity

Access Greater Depth of Information from the Spirit World—Practice Evidential Readings

Don't take our word for it. Here is what past participants have to say about their experience with Suzanne’s class:

I enthusiastically recommend Suzanne’s “Serving Spirit” workshop. It is one of the most outstanding classes on communication I have taken in my almost 40 years as a psychotherapist. The workshop is transformative, inspirational, and provides a “how to” on seeing the reality of the spirit world with a new perspective and understanding. ~ Sylvia Chavez Reaves, LCSW, Certified Bereavement Counselor, Certified Spiritual Director

Suzanne has a way of explaining the process of mediumship that provides a powerful and clear framework for understanding what we are trying to do. Not a moment was wasted. The work with her took my mediumistic and psychic skills to another level, which is deeply exciting to me. I cannot recommend this workshop highly enough.” ~ Judy Tsafrir, MD, Boston Holistic Adult and Child Psychiatry
